

SOUTHBEARS 40 METER SUNDAY NET

CQ CQ CQ Calling all members of SouthBears (The Southern Baptist Emergency Amateur Radio Service). This net meets each Sunday afternoon at 2:30 Central and 3:30 Eastern Time on 7260 KHZ plus or minus QRM and also on Echolink Node NA4MB-L Node Number 286648.

This is _(call) My name is ____, my QTH is _____ and I will be your net control for this session of the SOUTHBEARS NET.

The purpose of this Net is for Disaster Relief Training for those involved with the Southern Baptist Disaster Relief Communications Ministry. This net is also for handling traffic and for fellowship with those involved with this group. A roll is not called to conserve time. You do not have to be a member of this net to check in. All visitors are welcome to check in and are appreciated.

We will accept check ins by state. Please check in when your state is called. When checking in please pronounce your call sign SLOWLY , then repeat it phonetically SLOWLY, state your name and location. All stations please stand by for possible relay.

Before we accept check-ins, do we have any stations with traffic or announcements?

Do we have any Mobile Stations?

We will now begin accepting check-ins for the Southbears Net by State.

Please remember to pronounce your callsign clearly and SLOWLY.
